ATTENTION

Effective August 28, 2005 - all CM/ECF users making fee payments by
Internet credit card through Pay.gov must use Internet Explorer 5.5 or higher
as their browser. This is the only browser supported by the most recent
version, 3.2, of the Treasury's Pay.gov system, which is scheduled to be
deployed on August 28, 2005.

Previous versions of Pay.gov worked with Netscape 4.7. However,
recent testing of version 3.2 has confirmed that this will no longer be the
situation. Therefore, you are encouraged to acquire and use Internet
Explorer 5.5 or higher as soon as possible for all fee payments, if
you have not already done so.

Netscape will continue to work with CM/ECF so long as interaction with
Pay.gov for fee payments is not necessary.
